

# MARYVILLE

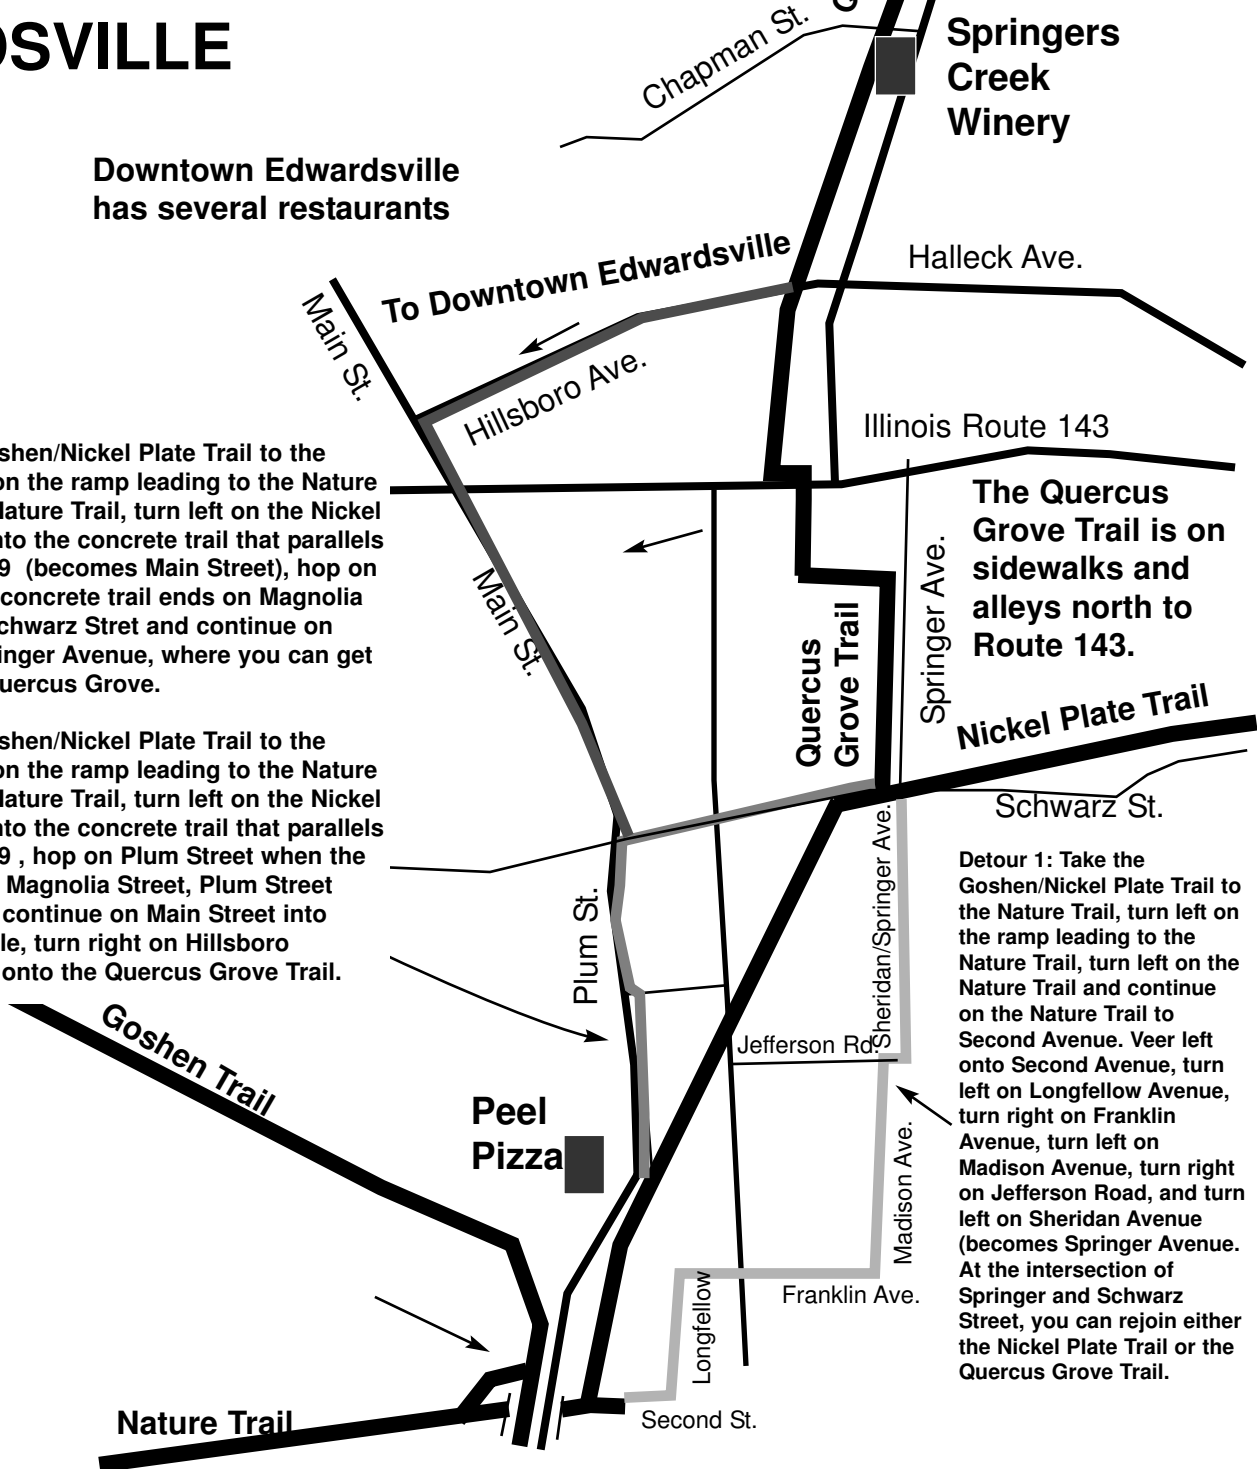

# EDWARDSVILLE

Downtown Edwardsville has several restaurants

**Detour 2:** Take the Goshen/Nickel Plate Trail to the Nature Trail, turn left on the ramp leading to the Nature Trail, turn left on the Nature Trail, turn left on the Nickel Plate Trail, veer left onto the concrete trail that parallels Plum Street/Illinois 159 (becomes Main Street), hop on Plum Street when the concrete trail ends on Magnolia Street, turn right on Schwarz Street and continue on Schwarz Street to Springer Avenue, where you can get on the Nickel or the Quercus Grove.

**Detour 3:** Take the Goshen/Nickel Plate Trail to the Nature Trail, turn left on the ramp leading to the Nature Trail, turn left on the Nature Trail, turn left on the Nickel Plate Trail, veer left onto the concrete trail that parallels Plum Street/Illinois 159, hop on Plum Street when the concrete trail ends on Magnolia Street, Plum Street becomes Main Street, continue on Main Street into downtown Edwardsville, turn right on Hillsboro Avenue, then turn left onto the Quercus Grove Trail.

The Quercus Grove Trail is on sidewalks and alleys north to Route 143.

**Detour 1:** Take the Goshen/Nickel Plate Trail to the Nature Trail, turn left on the ramp leading to the Nature Trail, turn left on the Nature Trail, turn left on the Nickel Plate Trail, veer left onto the concrete trail that parallels Plum Street/Illinois 159, hop on Plum Street when the concrete trail ends on Magnolia Street, Plum Street becomes Main Street, continue on Main Street into downtown Edwardsville, turn right on Hillsboro Avenue, then turn left onto the Quercus Grove Trail.

## MCT Quercus Grove Trail Dedication Staunton, Illinois Friday, July 10, 2009

### Surfaces

- Asphalt
- Limestone
- On-road

Edwardsville to Hamel: 8.2 miles  
 Hamel to Worden: 3.6 miles  
 Worden to Staunton: 5.8 miles  
 17.6 miles

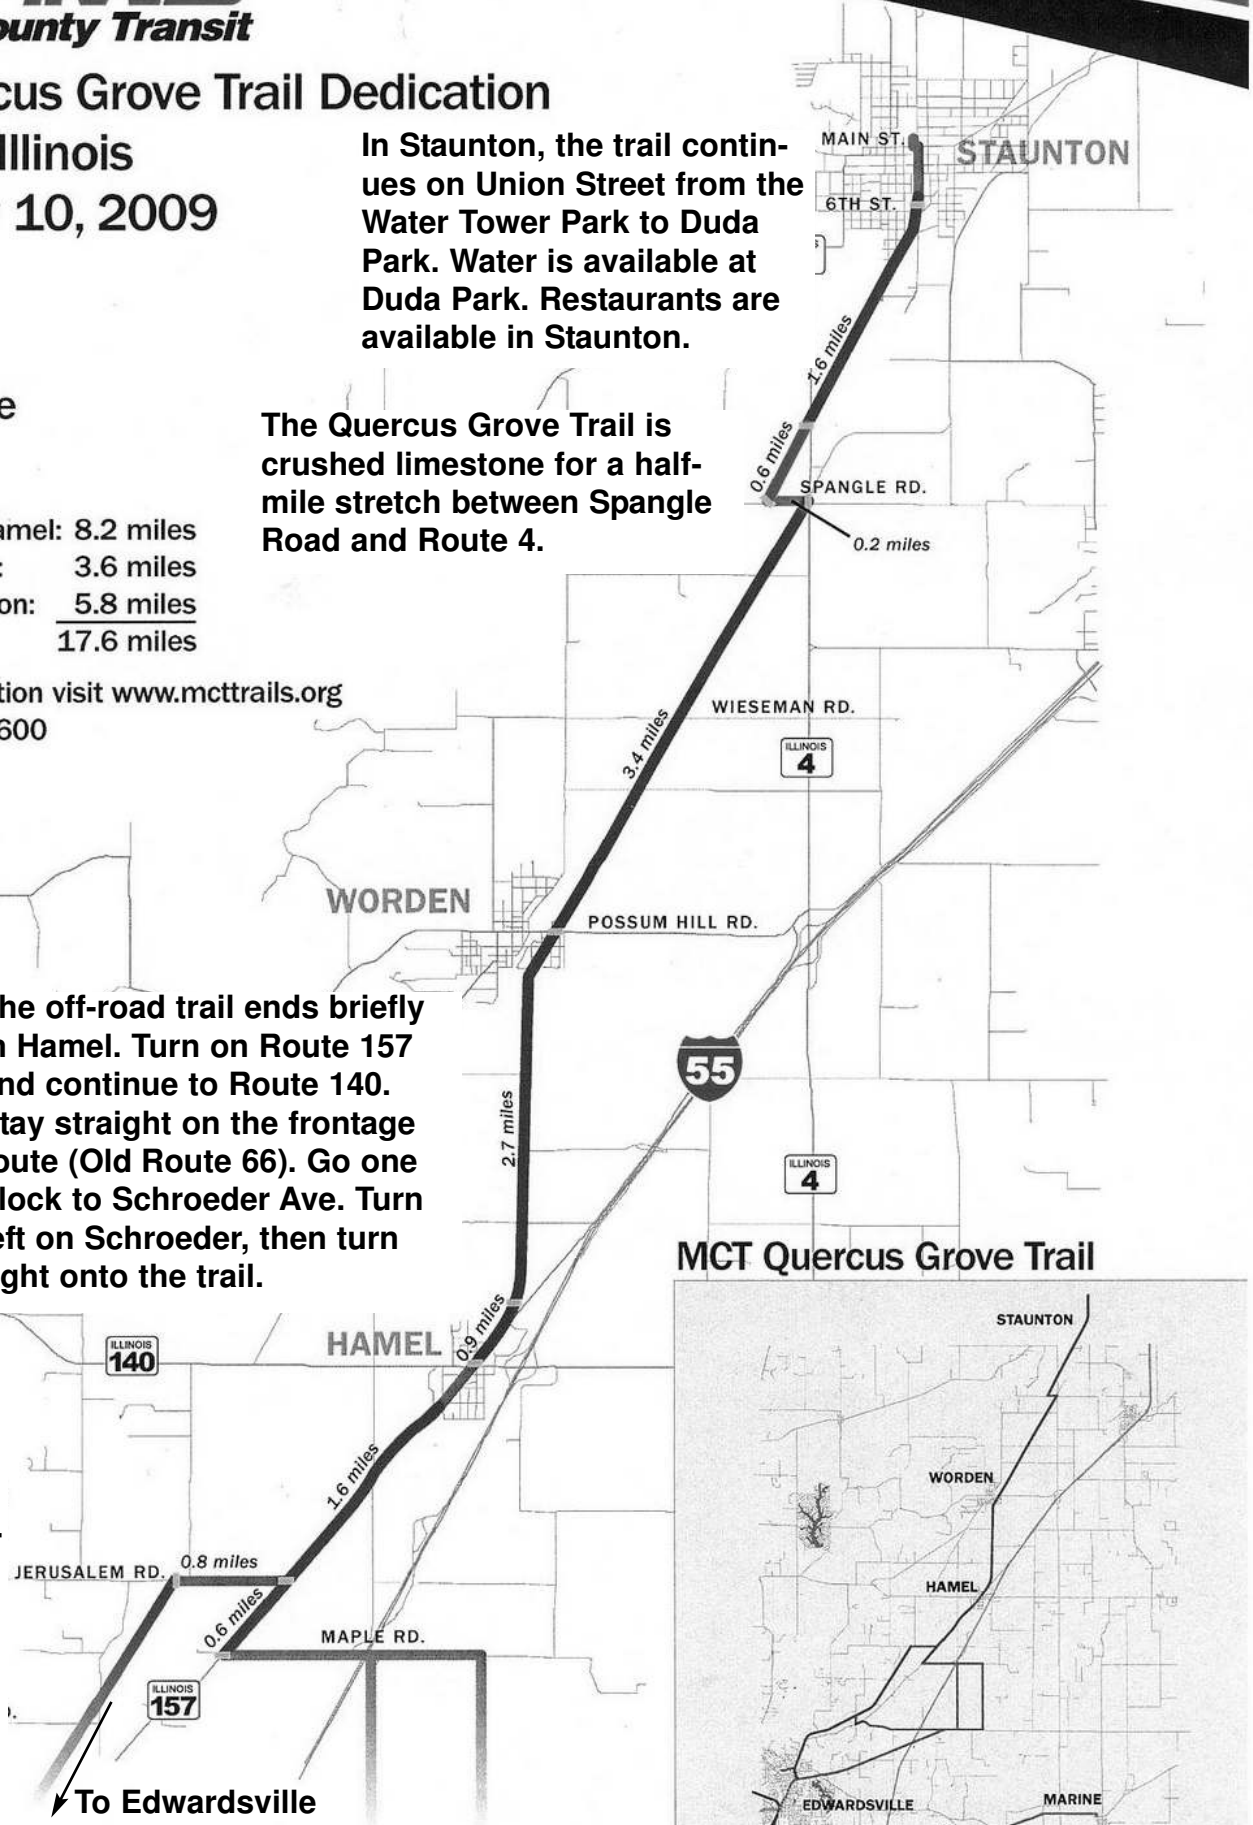

For more information visit [www.mcttrails.org](http://www.mcttrails.org)  
 or call 618-797-4600

In Staunton, the trail continues on Union Street from the Water Tower Park to Duda Park. Water is available at Duda Park. Restaurants are available in Staunton.

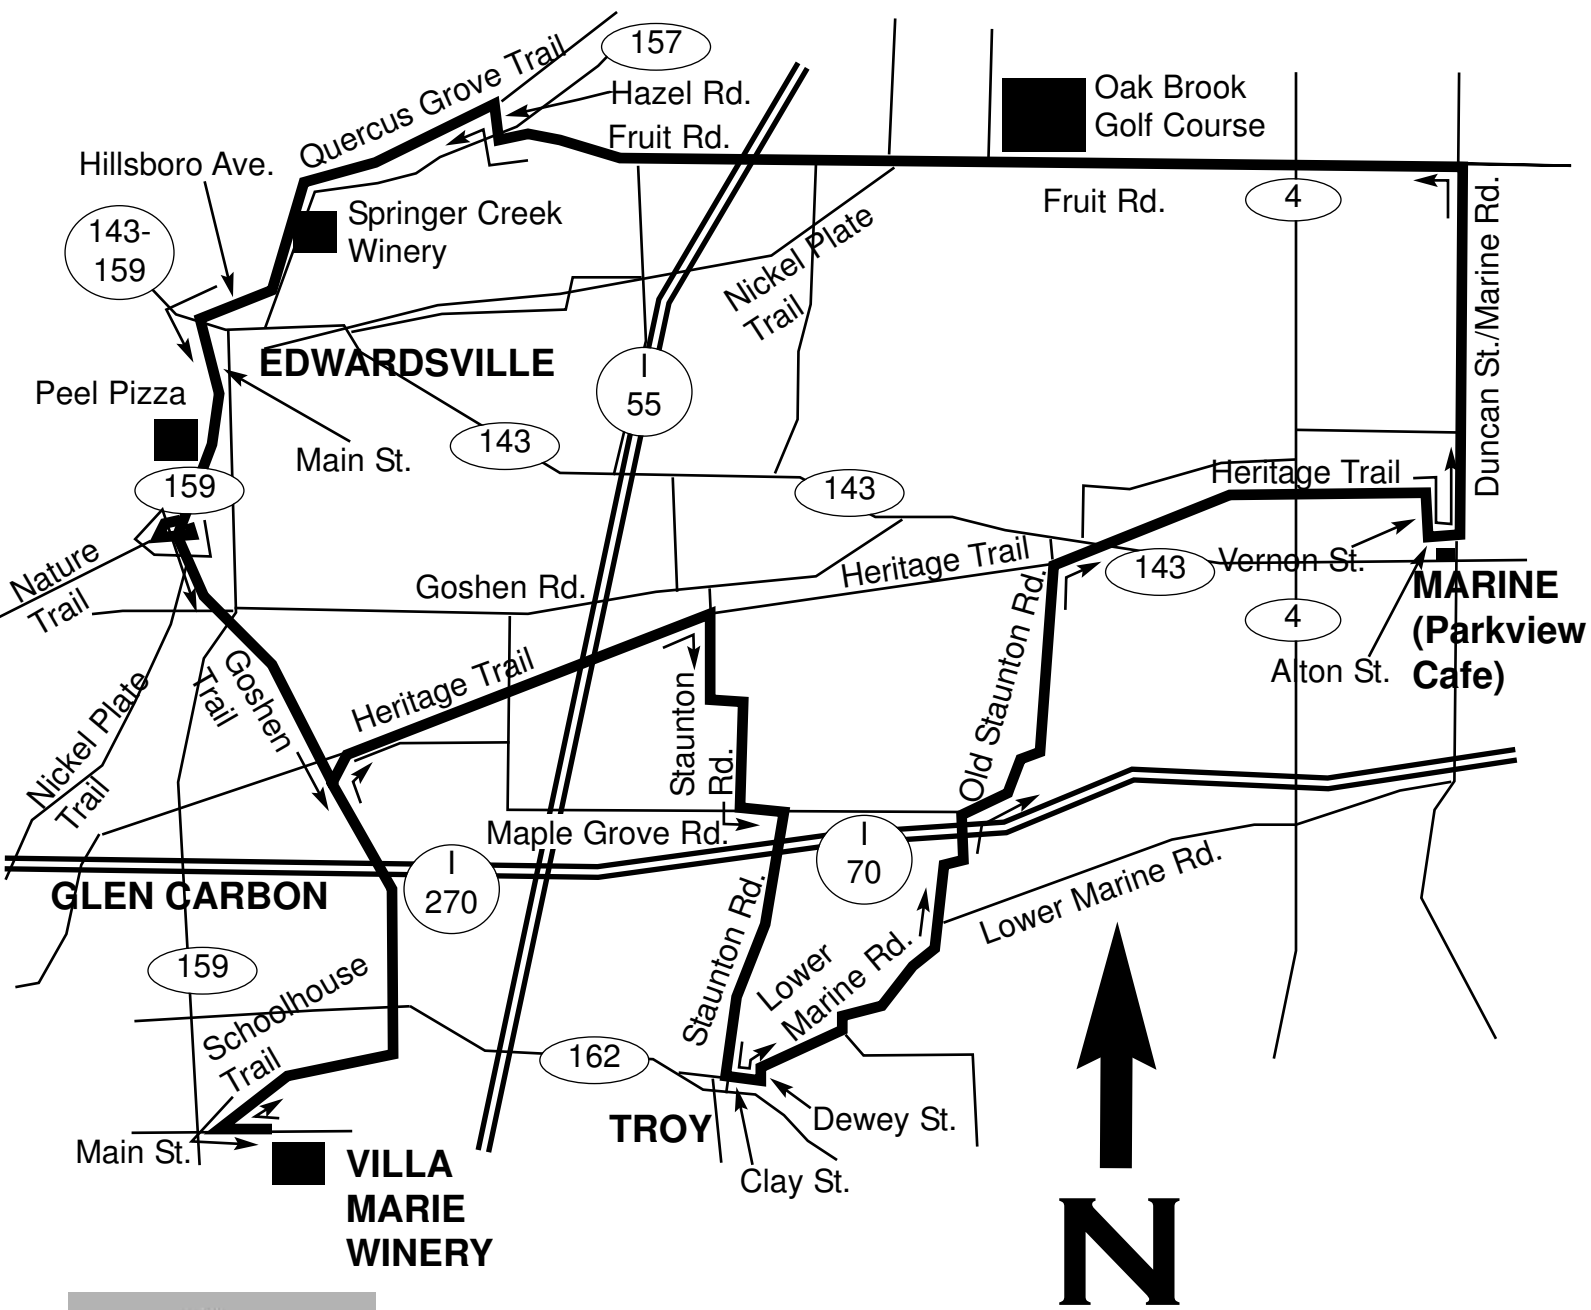

The Quercus Grove Trail is crushed limestone for a half-mile stretch between Spangle Road and Route 4.

The off-road trail ends briefly in Hamel. Turn on Route 157 and continue to Route 140. Stay straight on the frontage route (Old Route 66). Go one block to Schroeder Ave. Turn left on Schroeder, then turn right onto the trail.

The Quercus Grove Trail is crushed limestone for a 2.75-mile stretch between Hazel Road and Jerusalem Road.
