

From Mascoutah take Hwy 4 down to Fayetteville.
 East on 4/15 to St. Libory.
 Hwy 15 to 153 south to Lively Grove (stop at store).
 East from Lively Grove on Hwy 10 through Elkton to Oakdale.
 At Oakdale take Hwy 21 north to a left on 15 and then a quick right onto 160.
 At Addieville take 160 west to Hwy 13.
 Stop in Okawville.
 From Okawville take 177 back to Mascoutah.

It's a little over 63 miles of flat, smooth road. Sometimes a little too much traffic for my taste especially during harvest season. You can cut it down to about 45 miles by staying on Hwy 15 instead of turning south on 153. Just past Plum Hill, turn north on 160 to Addieville. You can even cut off more miles by taking Hwy 15 to 12 north through Venedy to 177.
